Miracle #37 – Second Miraculous Catch of Fish

John 21:4-11

- **John 21:4-7**

The disciples fished until early the next morning and had caught nothing. Then as morning dawned a man's figure was shown in the distance standing on the shore. They heard whenever it was ask them if they had any fish to eat. They replied, "No." The figure told them to "cast the net on the right side of the ship." When the fishermen obeyed, they caught a school of 153 large fish. The fish were so heavy the net could not be pulled into the ship. It is at this point that the beloved disciple, John, made known to Peter that the figure in the distance was the Lord. Peter threw some swimwear about him and jumped into the water and started swimming to Jesus.

- **John 21:8-14**

Peter began swimming to Jesus. The other disciples came on the ship. Interestingly, when they got to the shore, they noticed that Jesus had already built a fire and was frying some fish. By the time they got to the shore, Jesus had prepared breakfast. They had bread and fish for breakfast; their last meal with Jesus.

Jesus instructed them to bring some of the fish they had caught. The net was pulled on shore and the fish numbered 153. What a glorious celebration! The meal Jesus served the disciples was a promise that they could rely on Him to supply all their needs as they carried out the mission Jesus would leave for them to evangelize the world.

- **Matthew 28:16-20**
